

To Whom It May Concern,

The Croatian company „Đuro Đaković Grupa d.d.“, as the majority owner, has started the process of selling production capacities of its subsidiary company „Đuro Đaković Industrijska rješenja d.d.“ due to abandoning a part of company activities – i.e. heavy equipment production. The heavy equipment production facility was offered for sale (assets and equipment).

Please find attached the detailed information on this offer and bellow you can find the contact.
