

Esteemed colleagues,

as an economic representative of Embassy of Serbia in Budapest, we have a question from one Serbian company which is interested for buy agriculture products from Hungary.

They are interested in buying following:

- Corn oil, 1 liter plastic bottle pvc, very important label must be **without hebrew letters**.

The forementioned company would like to establish long term cooperation with factories in Hungary which are producing Corn oil, and for start they would like to **buy 2 containers (25 tones)**, and also after first order they would like to have a cooperation per month with similar amounts.

They are ready to pay in advance for offer, and they need a quick response in a short time.

Please, send me your offer, conditions of buying and prices of Corn oil, and we will convey that to the Serbian partner company.

We hope that we are going to establish cooperation, especially in this times in struggling with corona virus.
