

Dear Visitor,

Planet Budapest 2021 Sustainability Expo and Summit, a joint event of the Visegrad Countries on sustainable development will start soon, between 29 November - 5 December 2021 at Hungexpo. Going beyond discussing already identified problems, Planet Budapest 2021 aims to find a permanent solution to how to save the Earth for the future generations. Visitors will encounter interesting, daylong public programmes showcasing the current condition of our planet, and displaying the up-to-date solutions that provide answers to the challenges of our time.

We would like to remind you that attending the plenary sessions of The Universe of Sustainability – Summit requires registration in advance at PlanetBudapest2021@mfa.gov.hu. The draft programme of the plenary sessions can be found [here](#).

Your Planet - Interactive Public Programmes about Sustainability and The Nature Friendly Development – Sustainability Expo can be visited every day between 30 November - 4 December from 9:00 to 18:00. On the last day, 5 December, they will close at 17:00. Prior to attending the Sustainability Expo and Your Planet, registration is needed [here](#).

For the updated programme and general information regarding the event, please visit [our official website](#). We also encourage you to join our [Facebook](#) and [Instagram](#) pages for up-to-date news. Should you have any further questions about the event, please contact us at PlanetBudapest2021@mfa.gov.hu.

Let's meet at the Exhibition of the Future, at Hungexpo between 29 November - 5 December 2021.

Yours sincerely,

The Secretariat of the Government Commissioner Responsible for Planet Budapest 2021 Sustainability Expo and Summit
