№ **073/130** / **07/07/2022** г.

Dear Sirs,

JV JSC "Uzkabel" has the ability to produce and supply copper electrical wire of the MM brand.

The price will be determined in US dollars per 1 ton, based on the LME Cash Settlement quotation for grade A copper prior to the date of your order (06/07/2022), which is currently 7807 US dollars per 1 ton.

The price of the goods is set for the terms of delivery of FCA JV JSC "UZKABEL" - in accordance with the rules of Incoterms-2010.

At present, JV JSC "Uzkabel" has the opportunity to supply copper wire of the MM brand with a diameter of 1.35 mm to 2.62 mm.

Capacity: 250-300 per month

Delivery terms: FCA

Payment terms: 100% advance payment

Packing: octabines on pallet.

Transportation: by road, railway wagon or container according to the upon your request.

Shipment: within 5 days after production.

We look forward to a long and mutually beneficial cooperation

For our part, we can consider any of your counter proposals.

General Director

Umarov F.R.
